

ST. MARGARET'S
CARE HOME

NURSING | DEMENTIA | RESPITE CARE

WELCOME TO ST. MARGARETS CARE HOME

Situated in Newington, Edinburgh, St Margaret's Care Home offers excellence in Nursing, Dementia and Respite Care for up to 60 residents.

With focus on our residents, our caring team provide comprehensive, compassionate and dedicated care personalised to the needs of each individual, 24 hours a day.

Combining luxury facilities with a warm, welcoming atmosphere, St Margaret's boasts views of Arthur's Seat and Salisbury Crags and great accessibility.

Our varied activities programme ensures there is always something for everyone to enjoy and lots of opportunities to make new friends. Close to Edinburgh City Centre, visits to Portobello beach, the National Art Museum and more are high on our list of our residents' preferred day trips.

St Margaret's inhouse chef and catering team work hard to create a varied, nutritious menu with seasonal ingredients, tailored to individual preferences and dietary needs.

A WARM WELCOME AWAITS

St Margaret's offers plenty of variety and a choice of shared lounges for relaxation or socialising, while our large garden and patio areas are much enjoyed during favourable weather. Residents enjoy comfortable, en-suite bedrooms and welcome to personalise their rooms as they wish. Set across three floors, each with its own living and dining room, all of St Margaret's 60 bedrooms are suitable for those with dementia.

The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full at St Margaret's Care Home.

WE LOOK FORWARD TO WELCOMING YOU.
